PROFILE

Creative and detail-oriented Frontend Developer with a strong proficiency in HTML, CSS, and JavaScript. Experienced in building responsive and visually appealing web applications using React.js and Tailwind CSS. Committed to delivering high-quality user experiences and collaborating effectively in team environments.

EXPERIENCE

- Developed a restaurant website using HTML, CSS, JavaScript, React.js, Mongo, Express.js, and Next.js, enhancing user engagement through responsive design and cross-browser compatibility.
- Created an expense tracker with HTML, CSS, and JavaScript, improving efficiency by implementing intuitive UI components and ensuring mobile responsiveness.
- Built a currency converter application using HTML, CSS, and JavaScript, increasing user satisfaction rates by delivering a seamless and visually appealing user experience.

EDUCATION
